ISGETT DISTRIBUTORS, INC.

Dear Valued Isgett Customer:

I would like to take this opportunity to thank you, our valued customers, for your business and express my gratitude for your understanding and continued support.

Isgett Distributors, Inc. is a distribution company dedicated to serving car care professionals. We offer:

- **Single source inventory program**
- **Quality products, superior service and profitable solutions**
- **Dedicated account manager, face-to-face salesperson**
- **Live person on telephone**
- **Equipment sales & service**

We want to be your value-added distributor by offering the best products, service and prices. Please give your sales representative or our office staff a call for any and all needs you might have, as we are committed to you. We at Isgett Distributors, Inc and Eagle Lube Equipment, Inc. are dedicated to bringing you solutions to our struggling economy and services meeting the highest expectations of every customers. We try and keep our prices competitive. **When someone offers you a special buy, please allow us to try and beat or match the deal.**

Thank you again for your business. We look forward to the opportunity to continue to serve you in the future.

Please let us know of anything we can do for you – Our Valued Customer.

Sincerely,
ISGETT DISTRIBUTORS, INC.

Stephen Isgett

CHEMICALS

Professional Car Care System

2-Step Fuel Injection & Induction Tune Up Kit

- SP9102 6/2-step kits
- Safely removes harmful deposits and buildup from fuel injectors and intake valves
- Restores engine performance and improves fuel mileage
- SP300FI or SP303FI Service Tool required; may be used with most fuel injection service machines

3-Step Fuel Injection & Air Intake Cleaner Kit

- SP9103 4/3-step kits
- New low emissions formula
- Increases power
- Provides total fuel system clean-up
- Eliminates hesitations
- Lowers exhaust emissions
- Dissolves gum & carbon
- Improves air flow
- SP303IV or SP300FI Service Tool required; may be used with most fuel injection service machines

2-Step Power Steering Fluid Tune-Up Kit

- SP9902 6/2-step kits
- Replaces old, contaminated fluid
- Conditions power steering system parts and reduces pump noise
- Designed for use in GM, Ford, Chrysler and most foreign manufactured vehicles

2-Step Transmission Tune Up Kit

- SP9235 6/2-step kits
- Safely removes dirt and varnish from internal automatic transmission parts
- Reduces wear and friction
- Conditions seals, valves and o-rings to restore smooth shifting

2-Step Engine Recharge Kit

- SP9502 6/2-step kits
- Safely cleans entire engine oil system
- Removes harmful dirt build-up from valves and rings
- Reduces engine friction, heat and wear
- Improves fuel mileage

2-Step Cooling System Recharge Kit

- SP9202 6/2-step kits
- Cleans entire engine cooling system, water pump and radiator
- Protects against rust and scaling on internal metal parts
- Eliminates overheating
- Can be used with all antifreeze/coolants including long-life products

2-Step Diesel Fuel Cleaner Kit

- 2501 6/2-step kits
- Returns compression to factory levels
- Improves mileage, power & performance
- Reduces emissions, carbon deposits & sludge
- Eliminates bacterial & fungal growth
- Improves cold starts
- Eliminates hydrostatic engine lock
- Lubricates the fuel system and cleans injectors

OEM SERIES OIL FILTERS

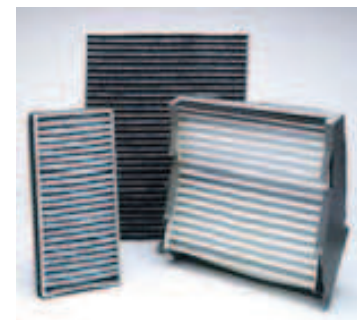

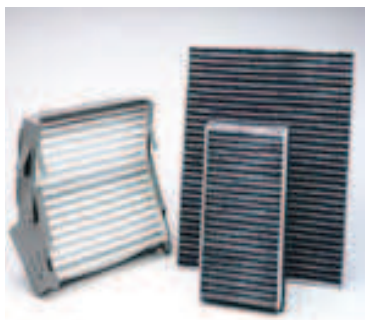

- Steel Tension Spring**
 - Maintains tension between element and canister
- Bypass Valve**
 - Ensures valve opens at correct pressure for continuous lubrication
 - Avoids premature bypass
- Optimum Paper Filtration Media**
 - Ensures maximum filtration efficiency & capacity with minimum resistance to flow
 - Efficiency - Engine Protection
 - Capacity - Filter Life
 - Resistance to Flow - Better Lubrication
- Base Plate**
 - Reduces flex and allows a higher burst pressure and impulse cycle
- Double-locked Seam**
 - Increases burst strength
 - Provides superb sealing properties
- Natural Rubber Gasket**
 - Allows expansion and contraction in the retainer
 - Secure seal and leak-free operation

100% Leak tested at time of manufacture to ensure leak-free confidence.

Service Pro™ introduces a revolutionary new beam blade system that provides the most comprehensive coverage with the fewest SKU's in the industry.

- Virtually streak-free visibility—in rain, sleet and snow
- Smooth, chatter-free wipe—squeegee features a specially blended graphite coated rubber blade
- Enhanced flexibility and grip—from the durable, rubber-encased substructure
- Significant noise reduction and wind lift—constructed with a built-in aerodynamic spoiler like OE
- Superior all weather performance—built with a synthetic rubber squeegee that will withstand extreme weather conditions
- Prevents ice build-up—through the elimination of exposed metal components
- Easy to Install 2 Clip Multi Connector Technology— simple 2 clip design fits 98% of applications on the road. Pre-installed with small j-hook adapter and contains multi-adapter for side pin, large j-hook, bayonet, I&L and PTB wiper blade arms
- 10 SKU's—fits over 58-million OE Blade applications

Rear Plastic Wiper Worries?

Rear plastic wipers have installers worried lately. The competition is offering limited replacement blade coverage requiring 8 to 22 additional part numbers... This has the average repair facility wondering:

- How many numbers do I need?
- What is the real demand of these blades?
- Will my inventory turn quickly?
- Where will I stock all of the extra blades?
- What is all of this inventory going to cost me?

Stock only ONE box of universal refills for **100% rear plastic blade coverage!!!**

Why replace the entire blade when most dealerships only install the refill?

It is as easy as **1 - 2 - 3**

**Instead..
Think out of our "Box" !**

Part Number: SPR 24 20 Universal Refills in one box

1. Remove refill from blade

2. Cut Universal Refill the same length as the OE

3. Install Universal Refill in frame
